Why should you attend?

The ISO 21001 Lead Implementer training course enables you to develop the necessary competencies to support an educational organization in planning, implementing, managing and maintaining a management system for educational organizations (EOMS) based on the requirements of ISO 21001. During this training course, you will explore the different components of an EOMS, including the EOMS policy and objectives, procedures, performance evaluation, management commitment, internal audit, management review and continual improvement.

After completing this course, you can sit for the exam and apply for a “PECB Certified ISO 21001 Lead Implementer” credential. A PECB Lead Implementer Certificate shows that you have understood the fundamental methodologies, requirements, framework and management approach.
