## **Why should you attend?**

ISO 55001 Lead Implementer training enables you to develop the necessary expertise to support an organization in establishing, implementing, managing and maintaining an Asset Management System (AMS) based on [ISO 55001](#). During this training course, you will also gain a thorough understanding of the best practices of Asset Management Systems and effectively improve an organization's asset management by enabling them to use their assets to their maximum potential.

After mastering all the necessary concepts of Asset Management Systems, you can sit for the exam and apply for a "PECB Certified ISO 55001 Lead Implementer" credential. By holding a PECB Lead Implementer Certificate, you will demonstrate that you have the practical knowledge and professional capabilities to implement ISO 55001 in an organization.
