

Privacy Policy for 3D Educators

Last Updated: December 26, 2025

Introduction

At 3D Educators we truly value your trust. This Privacy Policy explains in clear language how we collect, use, and protect your personal information when you visit or interact with our website www.3deducators.com. Our aim is to be transparent and to help you feel confident and informed when using our services.

Information We Collect

We may collect information that identifies you directly such as your name, email address, phone number, and other details you choose to share with us through forms or registrations in any course, which helps to increase your ability and learning skills. We may also collect information that does not identify you personally, such as browser type, device information, pages visited, and general usage data. This helps us understand how visitors use our website and how we can improve it.

How We Use Your Information

We use the information we collect to provide and improve our services, respond to your inquiries, process course registrations, manage communication with you, and personalize your experience. We may also use the information for administrative, security, and analytical purposes so that we can continue to develop and enhance our offerings.

Cookies and Similar Technologies

Our website may use cookies and similar technologies to improve your browsing experience (if found). Cookies help us remember your preferences and understand how you interact with our website. You may choose to disable cookies through your browser settings, but please note that some features of the website may not function properly without them.

Sharing of Information

We do not sell your personal information, it's just taken for our personal institute use. We do not share your information without any requirements, if required then from trusted service providers who support our operations, such as website hosting, payment processing, or communication services, so we can use, but only limited level. These providers are required to protect your information through International standardized encryptions systems to maintain confidentiality and cyber security threats. We may also share information if required by law or to protect our legal rights and the safety of others.

International Transfers

Because we may work with service providers and partners in different countries, your information may be transferred outside your country of residence. We always strive to ensure that appropriate safeguards are in place to protect your information wherever it is processed.
